

Hands-on-courses / Workstations

Workstation 1: Colonoscopy and adjunctive techniques (polypectomy, APC, loop application etc.)

Workstation 2: Endoscopic ablative techniques (EMR, ESD, HybridKnife etc.)

Workstation 3: NOTES (transgastric access, organ resections, spatial orientation etc.)

Workstation 4:
ERCP – biliary interventions (stents, laser, APC)

Registration

The registration fee is 500 \$ including the following:

- ✦ Get together welcoming dinner
- ✦ Training sessions on Pig-Models
- ✦ All coffee breaks and lunches
- ✦ Two Gala dinner
- ✦ Certificate of Attendance
- ✦ Five star Hotel accommodations for Two nights incl. breakfast (on your account)
- ✦ Corporate rate for 1 single room per night 150\$

Maximum 20 participants

For registration booking or more information please contact: Phone: +961 9 644777, Fax: +961 9 644254
Mail: Joelle.Chalouhy@erbe-lebanon.com

Faculty

PD Dr. Axel Eickhoff,
Director of Med. Dept 2
(gastroenterology, central endoscopy),
Klinikum Hanau, Hanau

with kind support from:

ERBE

PENTAX

Dear Colleagues in interventional endoscopy and gastroenterology,

It is our great pleasure to invite you to Beirut and the 1st. GMEA workshop for innovative methods in gastrointestinal endoscopy. GMEA stands for German-Middle-East-Asia association and expresses a new concept of an

educational forum for endoscopy and also the growing field of gastroenterology. The spirit of this innovative approach to education is best reflected by the fact that this meeting will combine hands-on-courses on biotissue models as well as scientific sessions and live-demo's from the local Endoscopy Unit.

The field of modern endoscopy is rapidly evolving and new developments and key advances like Narrow-band-imaging, Confocal lasermicroscopy, Endoscopic submucosal dissection, Argon-plasma-coagulation and even NOTES have been achieved. The ability to train on biotissues models and apply this new techniques into clinical practice is the primary goal of this workshop. It is the kick-off meeting of GMEA-accompanied workshops and will continue with ongoing meetings in the near future in the Middle East.

To meet the goal and aims of GMEA, workshops will focus on hands-on-courses on NOTES, resection techniques (EMR, ESD) and new imaging modalities (NBI, Laserscan). Together with our partner's from the industry we are committed to providing high quality education and training for all participants. Trained by professional experts in their field, you get the exclusive opportunity to learn and train innovative techniques of gastrointestinal endoscopy and see established methods from a perspective you never had before.

GMEA-seminars and workshops offers a congress that covers the whole of modern gastrointestinal endoscopy in an exciting social environment designed to extend our knowledge, improve our practice and widen our friendship.

Welcome to Beirut !

*PD Dr. Axel Eickhoff
Division of Gastroenterology &
Endoscopy
Clinic Hanau*

*MD Dr. Maher Kalaoui
Chief of Medicine
Head of gastroenterology services
Clemenceau Medical Center*

Friday, 30/09/2011

08:00 pm Arrival – Get-together

Saturday, 01/10/2011

09:00 a.m. Welcome –
MD Dr. Maher Kalaoui (GMEA-Lebanon)
PD Dr. Eickhoff (GMEA-Germany)
Mr. Khalil Ritter (GMEA-Lebanon)
Oral presentations

09:15 – 09:45 a.m. EMR, ESD, full-thickness resection –
critical limitations
PD Dr. A. Eickhoff (Hanau, GER)

09:45 – 10:00 a.m. Discussion

10:00 – 10:30 a.m. Therapeutic ERCP: New milestones
Dr. Stevan Patty (Kuwait)

10:30 – 10:45 a.m. Discussion

10:45 – 11:00 a.m. Coffee break

11:00 – 05:00 p.m. Hands-on-Workshop
Lunch break 01:30– 2:15 p.m.

05:00 – 05:15 p.m. Summary of the day
PD Dr. Eickhoff, Prof. M. Kalaoui

07:00 p.m. Course dinner

Sunday, 02/10/2011

09:00 a.m. Introduction and feedback
PD Dr. Axel Eickhoff
MD Dr. Maher Kalaoui

09:15 – 09:45 a.m. Self-expandable metal stents in
gastrointestinal endoscopy (non-biliary)
Dr. Jutta Herzog (Hanau, Germany)

09:45 – 10:00 a.m. Discussion

10:00 – 10:30 a.m. Update 2011: Endoscopic approach for
acute upper GI-Bleeding
MD Dr. Maher Kalaoui

10:30 – 10:45 a.m. Discussion

10:45 – 11:00 a.m. Coffee break

11:00 a.m. Hands-on-Workshop
05:00 p.m. Lunch break 01:30– 2:15 p.m.

05:00 – 5:15 p.m. Round table discussion
Closing remarks
Certifications

End of 1st GMEA workshop
