

## Hands-on-courses / Working groups

### Working group 1:

New imaging techniques (Chromo, Zoom, NBI, i-scan, confocal laser endomicroscopy etc.) Live-demo's (attendance of cases from the local Endoscopy)

### Working group 2:

Endoscopic resection techniques (EMR, ESD, HybridKnife etc.)

### Working group 3:

NOTES (transgastric access, organ resections, spatial orientation etc.)

### Working group 4:

Endoscopic bleeding training (injection therapy, Clip, APC, Ligation etc.)

### Working group 5:

Friday: Live-demo's (attendance of cases from the local Endoscopy ERCP, ESD)

Saturday: Small bowel endoscopy (hands-on-course)  
Single/ Double balloon enteroscopy, capsule endoscopy, pillcam colon

## Registration

The registration fee of 500 Euro includes the following:

- Admission to the LU-MEA Workshop
- Four Star Hotel accommodation for 2 nights incl. breakfast
- All coffee breaks, lunches, dinners
- Certificate of attendance

Registration is only valid together with payment of the course fee. Closing date is 12.06.2009.

Maximum 20 participants!

For registration or more information please contact:

Phone +49 7071 755-320 (Fax -5320)

## Faculty

Prof. Dr. Ralf Jakobs  
Medizinische Klinik C

## 2<sup>ND</sup> LUDWIGSHAFEN-MIDDLE-EAST-AFRICA-WORKSHOP

LU-MEA

18. – 20.06.09

Klinikum  
Ludwigshafen

Medical  
Department C  
Central Endoscopy Unit

## ON ADVANCED TECHNIQUES IN GASTROINTESTINAL ENDOSCOPY

Dear Colleagues,

It is our great pleasure to invite you to Ludwigshafen and the 2<sup>nd</sup> LU-MEA workshop for innovative methods in gastrointestinal endoscopy. LU-MEA stands for Ludwigs-hafen-Middle-East-Africa workshop and expresses a new

concept of an educational forum of gastrointestinal endoscopy. The spirit of this innovative approach to education is best reflected by the fact that this meeting will combine hands-on-courses on biotissue models as well as scientific sessions and live-demo's from the local Endoscopy Unit.

The field of modern endoscopy is rapidly evolving and new developments and key advances like Narrow-band-imaging (i-scan), Confocal Endomicroscopy, Endoscopic Submucosal Dissection, Argon-Plasma Coagulation and even NOTES have been achieved. The primary goal of the LU-MEA workshop is to provide training on bio tissue models so that this new technique can be applied to clinical practise.

To meet this goal, LU-MEA is focused on hands-on-courses on NOTES, resection techniques (EMR, ESD) and new imaging modalities (NBI, i-scan, Endomicroscopy). Together with our partners from the industry we are committed to providing high quality education and training for all participants. Trained by professional experts in their field, you get the exclusive opportunity to learn and train innovative techniques of gastrointestinal endoscopy and see established methods from a perspective you never had before.

LU-MEA 2009 offers a congress that covers the whole of modern gastrointestinal endoscopy in an exciting social environment designed to extend our knowledge, improve our practice and widen our friendship.

Welcome to Ludwigshafen!

*Prof. Dr. Ralf Jakobs,  
Division of Gastroenterology &  
Endoscopy  
Clinical Center Ludwigshafen*

*PD Dr. Axel Eickhoff  
Clinic und Polyclinic for Interdisciplinary  
Endoscopy, University Medical Center  
Hamburg-Eppendorf*

## 18.06.09 Thursday

7:00 p.m. "Get together" Reception-Dinner,  
Business-Hotel René Bohn, Ludwigshafen

## 19.06.09 Friday

09:00 a.m. Welcome –  
*P. Asche (CEO, Klinikum Ludwigshafen)  
Prof. Dr. Jakobs (Medical Department C)*

09:15 – Status report on the progress of NOTES  
09:45 a.m. *Prof. Dr. Jürgen Hochberger, Dr. D. Menke  
(Hildesheim)*

09:45 a.m. Discussion

10:00 – Hands-on-Workshop, Working Groups 1-5  
12:30 a.m. Coffee break 11:00 – 11:15 a.m.

12:30 – Round table discussion  
12:45 a.m. in the working groups

12:45 a.m. Lunch break

01:45 – Self-expandable metal stents in gastro-  
02:15 p.m. intestinal endoscopy (non-biliary)  
*PD Dr. Axel Eickhoff (Hamburg, GER)*

02:15 p.m. Discussion

02:15 – Hands-on-Workshop, Working Groups 1-5  
05:00 p.m. Coffee break 03:45 – 04:00 a.m.

05:00 – Summary of the day (5 minutes statements  
05:15 p.m. from the working groups)

07:00 p.m. Course dinner (Restaurant Marly,  
Ludwigshafen)

## 20.06.09 Saturday

09:00 a.m. Introduction and interactive feedback –  
*Prof. Dr. Jakobs, Dr. Eickhoff*

09:15 – The real impact of the new imaging  
09:45 a.m. technologies (NBI, i-scan, FICE, confocal  
endomicroscopy) for clinical practice  
*Prof. Dr. R. Kiesslich, PD Dr. M. Götz  
(Mainz, GER)*

09:45 a.m. Discussion

10:00 – Hands-on-Workshop, Working Groups 1-5  
12:30 a.m. Coffee break 11:00 – 11:15 a.m.

12:30 a.m. Lunch break

01:30 – Endoscopic treatment options of acute  
02:00 p.m. gastrointestinal bleeding  
*Prof. Dr. J. Sandouk (Damascus, Syria)*

02:00 p.m. Discussion

02:15 – Hands-on-Workshop, Working Groups 1-5  
04:45 p.m. Coffee break 03:15 – 03:30 a.m.

04:45 – Round table discussion  
05:15 p.m. Closing remarks  
Certifications

End of the workshop
