LAPAROSCOPIC CLINICAL WORKSHOP for Bariatric Surgery

21–22 September 2018

BMG in Beirut – Lebanon
GMEA Training Center in Byblos – Lebanon

WELCOME

Dear Doctor,

On behalf of G-MEA, it's our pleasure to welcome you in Lebanon. This course will provide the ability to train on Hands-on models and expose you to best practices in the operation theater focusing on optimizing outcomes through synergy between Bariatric surgeon and anesthesiologist.

Together with our partners from the industry we are committed to providing high quality education and training for all participants.

The training program consists of a mix of live surgeries under general anesthesia on animals and real patients. In addition to other case report and lectures.

Welcome to Lebanon!
