

Hands-on-courses / Working groups

Working group 1:

New imaging techniques (Chromoendoscopy, Zoom, NBI, Confocal Lasermicroscopy, Endocytoscopy)

Working group 2:

Endoscopic ablative techniques (EMR with cap/ snare, APC, ESD with different knives, Water-dissection with HybridKnife, Laservaporisation)

Working group 3:

NOTES (transgastric access, spatial orientation, organ resections, sewing techniques)

Working group 4:

ERCP: Biliary interventions, metal stents, APC, laser

Working group 5:

Live-demos (attendance of cases from the local endoscopy)

Registration

The registration fee of 500 Euro includes the following:

- Admission to the LU-MEA Workshop
- Four Star Hotel accommodation for 2 nights incl. breakfast
- All coffee breaks, lunches, dinners
- Transfer between hotel and clinic
- Certificate of attendance

Registration is only valid together with payment of the course fee. Closing date is 1.11.2008. Maximum 20 participants!

For registration or more information please contact:

Novel techniques in gastrointestinal endoscopy

1th Ludwigshafen-Middle-East-Africa-Workshop (LU-MEA)

LU-MEA

13. – 15.11.08

**Klinikum
Ludwigshafen**

Medical
Department C
Central Endoscopy Unit

Important Info:

Next LU-MEA

workshop will be

12. – 14. 11. 2009

Dear Colleagues,

it is our great pleasure to invite you to Ludwigshafen and the 1th LU-MEA workshop for innovative methods in gastrointestinal endoscopy.

LU-MEA stands for Ludwigshafen-Middle-East-Africa

workshop and expresses a new concept of an educational forum of gastrointestinal endoscopy. The spirit of this innovative approach to education is best reflected by the fact that this meeting will combine hands-on-courses on biotissue models as well as scientific sessions and live-demo's from the local Endoscopy Unit.

The field of modern endoscopy is rapidly evolving and new developments and key advances like Narrow-band-imaging, Confocal Lasermicroscopy, Endoscopic Submucosal Dissection, Argon-Plasma Coagulation and even NOTES have been achieved. The primary goal of the LU-MEA workshop is to provide training on bio tissue models so that this new technique can be applied to clinical practise.

To meet this goal, LU-MEA is focused on hands-on-courses on NOTES, resection techniques (EMR, ESD) and new imaging modalities (NBI, Laserscan). Together with our partners from the industry we are committed to providing high quality education and training for all participants. Trained by professional experts in their field, you get the exclusive opportunity to learn and train innovative techniques of gastrointestinal endoscopy and see established methods from a perspective you never had before.

LU-MEA 2008 offers a congress that covers the whole of modern gastrointestinal endoscopy in an exciting social environment designed to extend our knowledge, improve our practice and widen our friendship.

Welcome to Ludwigshafen!

Prof. Dr. Ralf Jakobs, Dr. Axel Eickhoff
Division of Gastroenterolgy & Endoscopy
Klinikum Ludwigshafen

Thursday, 13.11.2008

07:00 p.m. Get-together-dinner

Friday, 14.11. 2008

09:00 a.m. Welcome Mrs. Dr. Lohse, Mayor, City of Ludwigshafen, Prof. Dr. Jakobs

09:15 – 09:45 a.m. Therapeutic ERCP: New milestones PD Dr. Uwe Weickert (Klinikum Heilbronn)

09:45 – 10:00 a.m. Discussion

10:00 – 12:30 a.m. Hands-on-Workshop Working groups 1 – 5 (Coffee break 11.00 – 11.15 a.m)

12:30 – 12:45 a.m. Round table discussion in the working groups

12:45 – 01:45 p.m. Lunch break

01:45 – 02:15 p.m. EMR, ESD, full-thickness resection – critical limitations Prof. Ralf Jakobs (Klinikum Ludwigshafen)

02:15 – 02:30 p.m. Discussion

02:30 – 05:00 p.m. Hands-on-Workshop Working groups 1 – 5 (Coffee break 03:45 – 04:00 p.m.)

05:00 – 05:15 p.m. Summary of the day (5 minutes statements from the working groups)

07:00 p.m. Course dinner

Saturday, 15.11.2008

09:00 a.m. Introduction and interactive feedback: Prof. Jakobs, Dr. Eickhoff

09:15 – 09:45 a.m. NOTES: Where do we come from and where are we? Dr. Eickhoff (Klinikum Ludwigshafen) Prof. Dr. Hochberger (St. Bernward Krankenhaus, Hildesheim)

09:45 – 10:00 a.m. Discussion

10:00 – 12:30 a.m. Hands-on-Workshop Working groups 1 – 5 (Coffee break 11:00 – 11:15 a.m.)

12:30 – 01:30 p.m. Lunch break

01:30 – 02:00 p.m. New imaging modalities in endoscopy – l'art pour l'art or standard Dr. Martin Goetz (University of Mainz)

02:00 – 02:15 p.m. Discussion

02:15 – 4:45 p.m. Hands-on-Workshops Working groups 1– 5 (Coffee break 03:15 – 03:30 p.m.)

04:45 – 05:15 p.m. Round table discussion Closing remarks, Certifications

End of the workshop
