

FIRST ANNOUNCEMENT

The Kenya Society of Endoscopic Specialities at its 6th Annual General Meeting and 4th Annual Scientific Conference in 2015 takes great pride in hosting the first ever ISGE African Regional Meeting in Nairobi, Kenya. The Society has over the years been at the forefront in the development in an interest in Laparoscopic Surgery in this Region and at the same time disseminating skills amongst the younger Surgeons on the African Continent. We are indeed honored to partake this very important meeting.

THE STRAIGHT STICK SAFARI

Unlike any other destination, Kenya is the essence of diversity. Although Kenya is first and foremost the "Safari Capital" of the world, it also boasts some of the finest beaches on the Indian Ocean. Kenya - savagely beautiful wildernesses and ethereally snow-capped peaks; crater-studded valleys and wildlife-teeming plains; flamingo-frosted lakes and tropical rainforests. The last true Eden!

* Any other Safari options can be considered, provided early bookings are undertaken and payment is secured
