

International Conference on Gynaecological Endoscopy
Nairobi • Kenya

PRE-CONFERENCE WORKSHOPS Sunday 23rd August, 2015

BASIC OF LAPAROSCOPY

Chair Persons :

PASIC Paya (USA)
SIZZI Ornella (Italy)

Faculty :

ALHALAYQUA Omar (Palestine)
SENDY Sameer (Saudi Arabia)

Venue :

Royal Orchid Azure Hotel, Nairobi

Sponsor :

ERBE

Participants :

8 pax

Each participant will have the opportunity to practice gestures of Laparoscopic Surgery on a pelvic trainer so as to be better acquainted with energy devices.

Course Objectives :

- Improve knowledge on indications of Laparoscopic Surgery and its practical application.
- Raise awareness of specificities of Laparoscopic Surgery.
- Improve knowledge of Laparoscopic equipment, new technologies and how to use them with special focus on energy sources and energy devices.
- Knowledge of minimizing Laparoscopic complications.
- Knowledge of Laparoscopic Pre-Operative preparation.

Course Description :

This interactive course will provide surgeons with essential theoretical knowledge and practical experience of basic level Laparoscopic Surgery. The course will take you from a complete beginner in Laparoscopic Surgery to someone who is able master hand-eye coordination laparoscopically, as well as understand some of the key procedures in Laparoscopic Surgery. This comprehensive one day introductory workshop focuses on the basic skills required for safe laparoscopic surgical practice. The training uses real Laparoscopic equipment and Laparoscopic trainer boxes.
