

Curriculum Vitae

Personal Details	
Name	Majid Abdulrahman Hamad Al Madi.
Date of birth	18 Nov 1977
Citizenship	Saudi
Place of Birth	USA
E-mail	maalmadi@ksu.edu.sa majid.al-madi@mail.mcgill.ca majid.almadi@gmail.com
Cell phone	+966569488208
Mailing address	Majid Almadi P.O. Box 7500, Riyadh, 11462. Saudi Arabia
Qualifications	
1995-2002	Bachelor of Medicine & Surgery (MBBS) King Saud University, Riyadh, Saudi Arabia.
2002	Saudi Council Exam for Health Specialties
2002	Medical Council of Canada Evaluating Examination (MCCE).
2007	Enrolled in the Canadian Medical Register as a Licentiate of the Medical Council of Canada (LMCC).
2007	Medical Council of Canada Qualification Examination (MCCQE).
2007	American Board of Internal Medicine (ABIM).
2008	Fellowship of the Royal College Physicians of Canada (FRCPC) in Internal Medicine
2009	Fellowship of the Royal College Physicians of Canada (FRCPC) in Gastroenterology.
2010	American Board in Gastroenterology
2011	MSc. In Clinical Epidemiology (Thesis)
2011	Clinical Investigator Program, McGill University

Post graduate training		
	2002-2004	King Khalid University Hospital, King Saud University, Riyadh, Saudi Arabia. Internal medicine residency.
	2004-2007	McGill University, McGill University Health Center, Montreal, Canada. Internal medicine residency.
	2007-2009	McGill University, McGill University Health Center, Montreal, Canada. Gastroenterology fellowship.
	2009-2010	McGill University. McGill University Health Center, Montreal, Canada. Fellowship in Advanced Therapeutic Endoscopy
	2010-2011	McGill University. McGill University Health Center, Montreal, Canada. Fellowship in Endosonography.
	2009-2010	Completed a video editing scholarship program granted through the American Society of Gastrointestinal Endoscopy (ASGE).
	2009-2011	McGill University, Montreal, Canada. MSc. program in Clinical Epidemiology.
	2009-2011	McGill University, Montreal, Canada. Clinical Investigator Program.

APPOINTMENTS

	2002	Accepted as a demonstrator in Internal medicine, King Khalid University Hospital, King Saud University, Riyadh Saudi Arabia and granted a scholarship
	2008	Chief gastroenterology resident (6 months).
	2008	Member in the residency training committee, in gastroenterology (6 months).
	2011	Consultant gastroenterologist at King Khalid University Hospital, King Saud University, Riyadh, Saudi Arabia.
	2012	Assistant Professor in the Department of Medicine, King Khalid University Hospital, King Saud University, Riyadh, Saudi Arabia.
	2012	Adjunct Professor in the Department of Medicine, McGill university, Montreal, Canada.
	2012	Endoscopy unit director, King Khalid University Hospital, King Saud University, Riyadh, Saudi Arabia.

HONORS AND AWARDS

2005-2006	The Dr. Allen Spanier Internal Medicine Award, SMBD Jewish General Hospital, McGill, Montreal, Canada
2006-2007	The Dr. Allen Spanier Internal Medicine Award, SMBD Jewish General Hospital, McGill, Montreal, Canada
2012	First place for best oral presentation in the Internal Medicine Research Day (King Khalid University Hospital) "Clinical and Demographic Characteristics of Saudi Patients with Crohn's Disease"

TEACHING**Undergraduate**

2008-2010	Participated in the Gastroenterology physiology course for medical students at McGill University, using a Problem Based Learning (PBL) approach. (Annually)
2011-till date	Responsible for a number of small group problem based learning sessions as well as lectures for two undergraduate courses in internal medicine at the college of medicine, King Khalid University Hospital, King Saud University, Riyadh, Saudi Arabia

Post-graduate workshop and Courses

2008	Participated in a workshop funded by the Royal College of Physicians and Surgeons of Canada on International Medical Graduates Training in Canada as part of the faculty development program that was conducted at McGill.
2011 till date	Participated as a instructor in the scope guide endoscopy workshop that is regularly held twice a year, Division of Gastroenterology, College of Medicine, King Khalid University Hospital, King Saud University, Riyadh, Saudi Arabia
2012	Chaired the Internal Medicine Research Day at King Khalid University Hospital

	2012	An organizer for the summer research course for medical students. This is a course that is held every summer with the aim of priming health specialty students for a career as future scientists.
Clinical teaching and examinations for board certification		
	2005-2007	Supervised medical students and residents on medical wards as a senior, with bedside teaching, small group discussions and didactic teaching, for at least four periods per year. McGill University.
	2007-2008	Supervised medical students and residents on the gastroenterology consultation service, with bedside teaching, small group discussions, and didactic teaching. McGill University.
	2007-2008	A number of didactic presentations for gastroenterology fellows as well as presenting gastroenterology grand rounds. McGill University.
	2011- till present	Supervised medical students and residents as well as gastroenterology fellows on the gastroenterology consultation service, with bedside teaching, small group discussions, and didactic lectures. King Saud University.
	2011- till present	Responsible for the training of gastroenterology fellows including the training in basic endoscopic procedures as well as exposing them to advanced therapeutic endoscopy procedures as well as endoscopic ultrasound. King Saud University.
	2011- till present	An examiner for the Saudi Commission of Health Specialties for the certification of the Saudi Board of Internal Medicine.
	2012 – till date	A member of the scientific committee for the Saudi Commission of Health Specialties for the certification of the Saudi Board of Gastroenterology.
COMMITTEES		
	2011	A member of a committee for the development of a research course for third year undergraduate medical students (Course 304)
	2011	A member of the committee for the institution of a standardized nomogram for anticoagulation at King Khalid University Hospital, King Saud University, Riyadh, Saudi Arabia
	2011	A member of the committee for the colorectal disease center, at King Khalid

		University Hospital, King Saud University, Riyadh, Saudi Arabia
	2012	Chair of the committee on Clinical Ethics at King Khalid University Hospital, King Saud University, Riyadh, Saudi Arabia
COURSES AND SYMPOSIUMS		
	2005	Professional Skills of communication, McGill University.
	2005	Skills of teaching and Education, McGill university
	2005	The 7th International Symposia on Cytokines. Montreal, QC.
	2005	The World Congress of Gastroenterology, Montreal, QC.
	2006	Clinical epidemiology and Biostatistics course, McGill University. (3 credit hours).
	2006	Presented a study at the McGill Resident Research Evening.
	2007	Attended a course in Problem – Based learning: The Innovative Method of Medical Education, Riyadh, Saudi Arabia.
	2007	Attended a workshop on role modeling making the implicit explicit, Faculty development workshop, McGill University.
	2007	Attended a two-day basic endoscopy education workshop, McMaster University, Hamilton Ontario.
	2008	Attended a seminar on practice management, McGill University.
	2009	Attended a workshop on conflict resolution, McGill University.
	2009	Attended a two-day course for second year fellows in gastroenterology by the American College of Gastroenterology (ACG), Orlando, Florida.
	2009	Attended the Digestive Disease Week (DDW) conference that was held in Chicago, Illinois.
	2009	Attended the American Gastroenterology Association (AGA) postgraduate course that was held in Chicago, Illinois.

	2009	Attended the American Society of Gastrointestinal Endoscopy (ASGE) postgraduate course that was held in Chicago, Illinois.
	2009	Attended a two-day course as part of the video editing scholarship program provided by the ASGE, Downers Grove, Illinois.
	2010	Completed the ethics course provided by the Québec health and social services network
	2012	Attended the European Crohn's and Colitis Organization (ECCO) meeting in Barcelona, Spain
	2012	Attended the Digestive Disease Week (DDW) conference that was held in San Diego, California.
	2013	Attended the American College of Gastroenterology (ACG) conference that was held in Las Vegas, Nevada
	2013	Attended the Emirates Congress in Gastroenterology and hepatology, Dubai, UAE
	2013	Attended the Endoscopy MENA Summit, Dubai, UAE
Speaker		
	2012	The 11th Asia Congress of Endoscopic & Laparoscopic Surgery. Riyadh, Saudi Arabia, 12th -13th December 2012. "Endoscopic Management of Bariatric surgery Complications"
	2013	The 12 th SGA conference. Update in IBD and challenges in Gastroenterology. 29-30/1/2013. Jeddah, Saudi Arabia "Is There a Role for EUS in The Pancreas?"
	2013	Update in Hepatobiliary and Pancreatic Cancer International Conference,

		3-4 April. King Fahad Medical City, Riyadh. Saudi Arabia “ADVANCE ENDOSCOPY FOR PANCREATOBILIARY TUMORS”
	2013	2013 IFSO-Asia Pacific Chapter Meeting, 10-13 April. Kaohsiung, Taiwan “Endoscopic Management of Bariatric surgery Complications”
RESEARCH		
Publications		
	2013	Clinical Characteristics of Patients with Hepatocellular Carcinoma in a Middle Eastern Population. Khalid A. Alswat, Faisal M. Sanai, Mansour Altuwaijri, Ali Albenmoussa, Majid Almadi , Waleed K. Al-Hamoudi, Ayman A. Abdo. Hepat Mon. 2013;13(5):e7612. DOI: 10.5812/hepatmon.7612
	2013	The accuracy of multi-detector row computerized tomography in staging rectal cancer compared to endoscopic ultrasound. Abdulrahman M Aljebreen, Nahla A Azzam, Ahmad M Alzubaidi, Mohamed S Alsharqawi, Thamer A Altraiki, Othman R Alharbi, Majid A Almadi . Saudi J Gastroenterol 2013;19:108-12
	2013	Prevalence of celiac disease among healthy adolescents in Kingdom of Saudi Arabia. Aljebreen AM, Almadi MA , Alhammad A, Al Faleh FZ. World Journal of Gastroenterology. 2013 Apr 21;19(15):2374-8. doi: 10.3748/wjg.v19.i15.2374.
	2013	Inflammatory bowel disease: a global disease. Ghosh S, Almadi MA . Saudi J Gastroenterol. 2013 Jan-Feb;19(1)
	2013	Endoscopic ultrasound guided fine needle aspiration: results are reproducible. Almadi MA , Barkun AN. Saudi J Gastroenterol. 2012 Nov-Dec;18(6):347-8.
	2013	No benefit of covered vs uncovered self-expandable metal stents in patients with malignant distal biliary obstruction: a meta-analysis. Almadi MA , Barkun AN, Martel M. Clin Gastroenterol Hepatol. 2013 Jan;11(1):27-37. Epub 2012 Oct 23.

2012	Management of suspected stones in the common bile duct. Almadi MA , Barkun JS, Barkun AN. <u>CMAJ</u> . 2012 May 15;184(8):884-92. Epub 2012 Apr 16.	
2012	Predictors of a variceal source among patients presenting with upper gastrointestinal bleeding. Alharbi A, Almadi M , Barkun A, Martel M; the REASON Investigators. <u>Can J Gastroenterol</u> . 2012 Apr;26(4):187-192.	
2011	An Unusual Cause of Upper Gastrointestinal Bleeding. Alharbi A, Almadi M , Szilagyi A. <u>Gastroenterology</u> .142(2):211, 412-3. Epub 2011 Dec 19.	
2011	An 86-Year-Old Woman With Gastrointestinal Bleeding While Receiving Anticoagulation Therapy. Almadi MA , Barkun AN, Brophy J. <u>JAMA</u> . Dec 7;306(21):2367-74. Epub 2011 Nov 1.	
2011	New Insights into Gastrointestinal and Hepatic Granulomatous Disorders. Almadi MA , Aljebreen AM, Sanai FM, Marcus V, AlMeghaiseeb ES, Ghosh S. <u>Nat Rev Gastroenterol Hepatol</u> . 2011 Aug 5;8(8):455-66.	
2011	Ectopic varices. Almadi MA , Almessabi A, Wong P, Ghali PM, Barkun A. <u>Gastrointest Endosc</u> . 2011 Aug;74(2):380-8. Epub 2011 May 25.	
2010	Assessment of Alfa-Fetoprotein in the Diagnosis of Hepatocellular Carcinoma in Middle Eastern Patients.Sanai FM, Sobki S, Bzeizi KI, Shaikh SA, Alswat K, Al-Hamoudi W, Almadi M , Al Saif F, Abdo AA. <u>Dig Dis Sci</u> . 2010 Dec;55(12):3568-75. Epub 2010 Apr 16.	
2010	Relapsing Polychondritis in a patient with ulcerative colitis. Almadi MA , Alenizi AT, Menard HA, Hilzenrat N. <u>Saudi J Gastroenterol</u> . 2010 Jan-Mar;16(1):49. (Presented as a poster presentation in the Canadian Digestive Disease Week CDDW 2008, Montreal)	
2009	Recurrent obscure gastrointestinal bleeding: Dilemmas and Success with pharmacologic therapies, case series and review. Almadi M , Ghali PM, Constantin A, Galipeau J, Szilagyi A. <u>Can J Gastroenterol</u> . 2009 Sep;23(9):625-31	

2009		Differentiating Intestinal Tuberculosis from Crohn's Disease: a diagnostic challenge. Almadi MA , Subrata Ghosh, Aljebreen AM. <u>Am J Gastroenterol</u> . 2009 Apr; 104(4):1003-12. Epub 2009 Feb 24.
2009		Barrett's esophagus: Where do we stand? Al Madi MA . <u>Saudi J Gastroenterol</u> 2009; 15:2-10
2007		Radiological response in Saudi Patients Undergoing Transarterial chemoembolization for Hepatocellular Carcinoma. Al Fuhaid T, Al Madi M , Al Abdul Kareem H, Al Dukhayil M, Abdo AA. <u>Saudi J Gastroenterol</u> 2007;13:21-4
2007		Helicobacter Pylori prevalence among medical students in a high endemic area. Almadi MA , Aljebreen AM, Tounesi FA, Abdo AA. <u>Saudi Med J</u> . 2007; 28(6): 896-8.
Accepted for publication		
		The Safety and Efficacy of Gastric Fundal Variceal Obliteration using N-Butyl-2-Cyanoacrylate. Mosli M, Aljudaibi B, Almadi MA , Marotta P. Saudi J Gastroenterol.
		Appropriateness and Diagnostic Yield of Upper Gastrointestinal Endoscopy in an Open-Access Endoscopy System. Aljebreen A, Almadi MA , Alsawat K. Saudi J Gastroenterol.
Submitted for publication		
		Prevalence and Clinical Features of Colonic Diverticular Disease and Their Contribution to Lower Gastrointestinal Bleeding in a Middle Eastern Population. Nahla Azzam, Abdulrahman M Aljebreen, Othman Alharbi, Majid A Almadi
		Clinical Predictors of Resectability of Pancreatic Adenocarcinoma. Almadi MA , Alharbi O, Azzam N, Altayeb M, Javed M, Alsaif F, Hassanain M, Alsharabi A, Al-Saleh K, Aljebreen AM.
		Characteristics and Predictors of Complications and Survival in Patients Undergoing Colonic Stenting for Malignant Colorectal Obstruction. Almadi

	MA , Nahla Azzam, Othman Alharbi, Abdulrahman M Aljebreen.
Book Chapters	
	Wrote a chapter on the Management of upper gastrointestinal bleeding co-authored by Dr. Alan Barkun Textbook of Clinical Gastroenterology and Hepatology (2012), John Wiley & Sons, Inc. USA.
Grants	
	Awarded a grant through the National Program for Science and Technology (NPST), Saudi Arabia. The study investigates the prevalence of colonic adenomas in the average risk population of Saudi Arabia.
	Awarded a Research Group Project grant through the Deanship of Scientific Research at King Saud University through (Research Group Project number RGP-VPP-279)
Editorial appointments	
	An Associate Editor for the Saudi Journal of Gastroenterology
	Editorial board member for the World Journal of Gastrointestinal Endoscopy
Reviewer For Journals	
	American journal of Gastroenterology
	Gastrointestinal Endoscopy
	Cochrane Upper Gastrointestinal and Pancreatic Diseases Group
	World Journal of Gastrointestinal Endoscopy
	Oman Medical Journal
	Saudi Journal of Gastroenterology
	PLoS medicine
	Nature Reviews Clinical Gastroenterology and Hepatology
Professional Memberships	
	Associate member of the American College of Physicians.
	Member in the Canadian Society of Internal Medicine.
	Member of the Canadian Association of Gastroenterology
	Member of the American Gastroenterological Association
	International Member of the American College of Gastroenterology

Educational Videos	
	<p>Submitted a video titled an unusual case of biliary obstruction.</p> <p>Accepted as an educational video for the ASGE, and to be posted on the DAVE project website.</p>
